

PRODUCT DATA SHEET

PT9202N

VERSION 1

OVERVIEW

PSI Pro Operational Spray

Code: PT9202N

Weight: 82g Approx (2.9oz)

PSI Pro Operational Spray

Methods of Use

The PSI Pro Operational Spray is based on active ingredient formed by the aqueous blend of tri-rectified mint, white camphor, lemongrass and ginger. Developed with the OECD methods, attesting non-irritation to the eyes and skin, not affecting bystanders even inside confined premises; Causing the immediate involuntary eyelids contraction upon contact with the active ingredient and easily washed away with clean running water.

Description

The product is non-flammable and harmless to the ozone layer and can be deployed at 360 degree rotation due to bag on valve system
