

## PRODUCT DATA SHEET

PT1008-CE

VERSION 7

### OVERVIEW

## 12 Gauge - Birdscaring

Code: PT1008

Cal: 12 Gauge

Projectile Weight: 5 grams approx.

**12G BSC Shotgun Screech**

### Description

Primetake Birdscaring Cartridges are designed to be used in and around airports and airfields to help with control and bird movement, and assist towards their dispersal.

The 12G Screech Cartridge incorporates a screech projectile which emits a high-pitched screech sound during flight.

Range Safety Template available on request.

Environmental conditions at the time of firing, such as wind speed and direction, should always be considered - firing advice available on request.
